Hi Max,

Thank you for answering our query, though it begs the question, why not?
Please record this and our original query as the response from Yscir Community Council.

I was asked to query why the Eppynt area, north of Brecon, is marked as a Wind and Solar Priority Area when most of this land is either Ministry of Defence land, or with 10km of MOD land. It is my understanding that wind and solar farms will not be allowed on or near MOD land.
