

National Development Framework: Easy Read questionnaire

Part A – the main points of the NDF

Q1. 1. Do you think we are aiming to do the right things with our plan?

Yes

Q2. 2. We have 10 aims in the NDF. Should we think about anything else? Tell us anything we've missed out

No Response

Q3. 3. Do you think the Plan will help achieve healthy and well-planned places?

Not sure

Comments:

It will work if developers are not allowed to build student accommodation and are made to pay large amounts of compensation to local communities for destroying the environment.

Q4. 4. Do you think the plan will help us take care of our environment?

Not sure

Comments:

Make developers build roof top gardens, decent play areas, community halls, parks and cycle infrastructure. No car parking.

Part B – different parts of Wales

Q5. 5. Do you agree with our plans for North Wales?

Yes

Comments:

Must be strict with developers.

Q6. 6. Do you agree with our plans for Mid and South West Wales?

Yes

Comments:

Must be strict with developers.

Q7. 7. Do you agree with our plans for South East Wales?

Yes

Comments:

Must be strict with developers. No more student accommodation, no airport expansion. More green spaces. Rooftop gardens, street trees, wildlife areas community halls, less car parking, more cycle lanes, pedestrian access, public transport. More social and affordable housing. Developers must be made to pay large amounts in compensation to local communities.

Part C

Q8. 8. Do you have any other comments you would like to make about this plan?

The environment and social inequality needs to be the priority. Infrastructure needs to be in place. More and better GP surgeries, dental surgeries, care homes, community halls, shelters , play areas, parks, nurseries,youth clubs, affordable gyms , swimming pools, public transport, cycle and pedestrian infrastructure, decrease noise,air and light pollution, encourage wildlife, decrease car use. Benefits should be for communities not lining the pockets of rich landlords and developers.
