Notes: -

TOP AND BOTTOM PANELS

1. The legends may be varied as appropriate.
2. A logo may be added to the top or bottom panel.
3. The height of either panel shall not exceed 200mm.
4. The legend and background may be in any colour.

MIDDLE PANEL

1. The legend shall be from the Transport Medium alphabet. The 'x'-height of the telephone number shall be 50mm maximum. Other legends shall have 'x'-heights smaller than that of the telephone number (suggested 'x'-hts are shown opposite).
2. The outlines of the tiles do not form part of the sign.
3. The colours are as follows: -
Legend & border ——— White
Background ——— Red

GENERAL

1. The description of the works and contractor's name may each occupy more than one line. The word 'Contractor' ('Contractiwr') may be placed above the contractor's name.
2. The top panel may be omitted and the Undertaker's name incorporated in the middle panel at the top in the Transport Medium alphabet.
3. The border dimension is given in stroke widths based on the smallest 'x'-height used.
4. The spaces between the lines of legend are given in stroke widths based on the smallest 'x'-height of the legend adjacent to that space.
5. The illumination of the sign must accord with the requirements of the current 'Traffic Signs Regulations and General Directions'.
