Site Name:

No allocated mineral sites identified

01.04.2019 14:56:02

Legend

- Allocated Mineral Sites
- No Allocated Mineral Sites Identified
- Local Planning Authority
- National Park

Note: The majority of data shown was obtained via the information request sent to Local Planning Authorities. Where no response to the request was received LDPs have been interrogated. It is considered that any safeguarded minerals sites/buffer zones would be captured on the 'Existing Minerals Sites' map as such only new mineral site allocations as indicated in LDPS have been included as part of this map output.
