Proposed alignment of new section of motorway

Study area

1km from the alignment

Conservation area

Scheduled monument

Historic park or garden

Special landscape areas

Prominent man-made features

Newport Docks

Area of amenity importance

Newport City Council environmental spaces

Local planning authority boundary

Local landscape character areas

Public right of way

Permissive bridleway

Byway

Bridleway

National cycling route

Wales coast path

Newport City Council Long Distance Walking and Cycle Routes

Pylon position

Wind turbine - unverified

Wind turbine - verified

Notes:

The proposed development boundaries are approximate and should be used as a guide only.

The prominent man-made features layer refers to built structures over 30 meters tall within the study area. These are a guide only.
