Subject: Fwd: Call in of Planning Application - Cardiff Council

Good Evening

Please find attached a letter asking you to review a planning application currently lodged with Cardiff Council.

Although the letter is signed by me personally, I am part of an action group called the West Pontprennau Action Group who are firmly against the proposal. The group have spoken to a number of your colleagues in Welsh Government who have lodged their objections against the plans as well and these can be seen on the relevant website area of the Council website linked to the application.

If you require any further information please do not hesitate to contact me. I look forward to hearing from you in due course.

Regards
