E-mail request

Our ref: ATISN 15115

Date: 24 May 2021

Dear

ATISN 15115

Thank you for your request which I received on 4 May 2021. Your question was as follows:

Does the Welsh Government have any say on the carbon foot print involved of getting sub-contractors travelling up from Cardiff to carry out structural works at Rhodfa Padarn ie fixing doors etc or repairing fridges/freezers etc when there are company's 10 minutes away who are perfectly suited?

Mitie are meeting their contractual obligations by using local contractors where possible and Mitie's performance including achieving their carbon reduction targets is monitored monthly by Welsh Government.

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to the Welsh Government's Freedom of Information Officer at:

You also have the right to complain to the Information Commissioner. The Information Commissioner can be contacted at:

However, please note that the Commissioner will not normally investigate a complaint until it has been through our own internal review process.

Yours sincerely
