Thanks [Welsh Government Official] !

I think [Candidate] has accidentally been added as [Candidate] – but looks like we otherwise have everything for Role 3 thanks!

Hi [Gatenbysanderson Official]/ [Gatenbysanderson Official]

I think all is in order for role 3 now, but I've asked [Welsh Government Official] in my team to double check for us. I can confirm [Candidate] is now moved to role 1 and that we have an applicant ID for [Candidate]. Unfortunately, the Team has been unable to upload is application data, so this isn't included in the book.

Again, please let me know if you need anything.

I'm sorry, but I'm still awaiting the CVs and PSs as individual documents. However, the PAT has sent me a list of the applications, CVs and PSs as a compilation which I've added to the portal. I have asked them to provide the compilation in application order ID, but thought you'd want the list regardless of order for now.

I've also updated the spreadsheet, to show the names of the missing applicants:

In addition, missing from the compilation is [Candidate] application which will be added shortly.
