Subject: NRW Board recruitment: panel guidance

Hi [Gatenbysanderson Official]

I am drawing up the advice for the assessment panel, and thought I should run it past you first, to ensure what I have detailed in there is correct from your point of view. Please feel free to make any comments/amendments as much of this has been pulled together based on my previous experience, which may not necessarily be the way you work.

I'm also sending the guidance to our Public Appointments Team, to ensure they are content with it. I'm hoping to send this to the panel by the end of Thursday (I'm on leave on Friday) so would appreciate any comments as soon as you are able please.

Regards
