Thanks [Welsh Government Official]. I think we had already sifted [Candidate] in the field for Role 1.

We will flag [Candidate] to the Panel when we go through the sift – I think I might anyway have mentioned [Candidate] may have been a better fit for Role 1 or 3 in the sift summary.

Good morning both

We have received confirmation that both candidates who applied in Welsh are content with the translation.

However, [Candidate] is concerned that it's a translation and as such does not flow as if [Candidate] would have written in English. [Candidate] would like the panel to consider that this is not [Candidate] manner of written English.

Also, the PA Team has confirmed that [Candidate] has been moved to role 1, and that [Candidate] has been moved to role 1 and copied to role 2. Role 3 (sorry).

I have reminded the PA Team to send the list of applicants in the Positive about Disability Scheme in time for the meeting.

I think that's all outstanding items, but please let me know if I've forgotten anything.
