[Gatenbysanderson Official]

Thanks for your help earlier with Objective Connect. Unfortunately, it appears the syncing has not completed yet. This means there is a delay getting the applications to you today.

I'll be in touch again tomorrow, but hope the syncing is completed over night.

No problem [Gatenbysanderson Official], I've done that.

I have the list but I have also just received the individual applications for our Public Appointments Team. I'll load these up today, together with the list.

Thanks [Welsh Government Official] – apologies for the delayed response. The spreadsheet would be really helpful, but nothing else we need to add from our side. Thank you for asking though!

Kind regards

Hi [Gatenbysanderson Official]

We have an the list of applicants so far – 12 across the three roles. I'd like to send these on to you via Objective Connect. To ensure we have a double check of number of applicants against applications, I've dropped them into a spreadsheet. This is simply organised by application ID, name, whether the application is uploaded and a notes column (eg, whether someone has applied for another role or we're awaiting translation.

Before I upload the list, are there any other columns you'd like included?
