Dear

30 June 2021

Request for Information – ATISN 15193

Thank you for your request which I received on 2 June. Please find the information you requested below.

The Welsh Government collects data on Households found to be eligible for assistance, unintentionally homeless and in priority need during the year under Section 75 of the Housing (Wales) Act 2014. The data collected is published on the Welsh Government StatsWales website [here](#). Data is published annually.

Since the beginning of the coronavirus pandemic, Welsh Government has made it absolutely clear to local authorities that it is imperative that everyone who is, or is at risk of, sleeping rough or in inappropriate temporary accommodation should be provided emergency accommodation with the support they need.

Welsh Government does not collect data on the number of homeless Armed Forces Veterans currently living in temporary accommodation, including type of accommodation and length of stay. We do however, publish data on the total number of people supported into temporary accommodation since the beginning of the pandemic. This data is published on the Welsh Government website [here](#).

As the demand for statistics has increased due to the impact of the COVID-19 pandemic the update due to be published in July 2020 is delayed.

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to the Welsh Government's Freedom of Information Officer at:
