Dear

Information requested

Thank you for your request which I received on 07 June 2021. You asked:

Please could you provide me with some detailed information on each individual secondary schools SEN budget expenditure for past 3 years. I am looking to see what actual products/services they bought and not just the total amount spent by the school.

Our response

Following a search of our paper and electronic records, I have established that the information you require is not held by the Welsh Government.

The notional SEN budget of each secondary school is published on our StatsWales website at the following link [Delegated School Budgets by school \(£ thousand\) \(gov.wales\)](#).

However, the detailed information you request on actual products and services bought is not held by the Welsh Government.
