Hi (REDACTED – SECTION 40)

It turned out that (REDACTED – SECTION 40) is the lead on this one. She has provided NWSSP suggested response and copies of the contract, it's all saved within the file.

Happy to discuss further,

(REDACTED – SECTION 40)

Was this formally transferred to Alex Slade? I note that you have already been in touch with shared services for the contracts which might make things interesting.

Hi both

Sorry this has been in my in box for a couple of days – I think it needs to be sent to Frances as the policy lead.

Subject: FOR CLEARANCE - ATISN 15264 - Response Letter

Thanks **(REDACTED – SECTION 40)**

A couple of points I think. Firstly there is no longer a contract with CC and NHS Wales, this expired in April 2021. Secondly the contract was placed by NHSSSP and not by WG so we were not party to the actual contract being placed and therefore the request should be to NHS SSP not to WG as we are not the NHS and did not place the contract. However the acknowledgement response is fine

Good to hear 😊 I am well, just very busy!

You're correct in saying that this was responded to via TO, however, it seems the requestor was unhappy with the response and therefore has escalated to a FOI in an attempt to obtain the information.

Thanks,

Hi (REDACTED – SECTION 40)

I'm not sure that this is for me sorry. I think it may be on the Primary Care side so maybe Alex?

Best,
