E-mail request

Our ref: ATISN 15498 – part 1
Date: 6 October 2021

Dear

ATISN 15498 – part 1

Thank you for your request which I received on 8 September 2021. You asked the following:

broken down by year, how much money has been spent on food (takeaways, biscuits etc) for Ministers over the period of 19/20?

I estimate that it will take longer than the appropriate limit set out in the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004 to answer your requests. The appropriate limit specified for central government is £600. This represents the estimated cost of it taking over 24 hours of time to determine whether we hold the information and to thereafter locate, retrieve and extract it.

The Welsh Government's finance system does not hold the specific information you have requested and as such, officials would need to review transactions/records to respond.

During 2019/20, there have been 114,000 transactions booked to either the hospitality nominal or the travel & subsistence nominal on the Welsh Government's finance system (the nominal describes the category of expenditure) which could possibly include purchases of biscuits and takeaways.

I estimate it would take approximately 3 minutes to extract and review each record categorised as hospitality or travel and subsistence to determine whether any information therein was captured by your request – the limit is therefore exceeded (114,000 x 3 minutes /60 = 5700 hours).

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to the Welsh Government's Freedom of Information Officer at:

Information Rights Unit,
Welsh Government,
