Subject: Welsh Government request for information - Travel

Dear

Thank you for your email below.

I can confirm that Welsh Government does not hold information on Members of the Senedd (your reference, 'AM's) – this would need to be requested directly from Senedd Cymru via Information-request@senedd.wales.

With your agreement I would be happy to transfer your request to Senedd Cymru for that organisation to consider your question. However, if I do not hear from you by Friday 29 October, Welsh Government will take no further action on your request.

Yours sincerely

Llywodraeth Cymru/Welsh Government

Hi,
Can you please advise how many AM's have been abroad (for any reason) between 1/5/21 and 30/9/21.
Many thanks,
