

GORCHYMYN CEFNFFORDD YR A470 (HAY ROAD, LLANFAIR-YM-MUALLT, POWYS) (TERFYN CYFLYMDER 40 MYA) 202-

DATGANIAD O'R RHESYMAU

Mae angen y Gorchymyn arfaethedig, er budd diogelwch ar y ffordd, i gyflwyno terfyn cyflymder 40 mya ar ddarn o gefnffordd yr A470 yn Hay Road, Llanfair-ym-Muallt, Powys.

Oherwydd pryderon a godwyd ynghylch goryrru a symudiadau goddiweddyd amhriodol yn y lleoliad hwn, cynhaliwyd astudiaeth ddiogelwch a argymhellodd gyflwyno terfyn cyflymder 40 mya newydd ym mhen dwyreiniol Hay Road (a hynny am bellter o 400 metr) a fydd yn creu parth clustogi i ostwng cyflymder traffig cyn mynd i mewn i'r cyfyngiad 30 mya.

THE A470 TRUNK ROAD (HAY ROAD, BUILTH WELLS, POWYS) (40 MPH SPEED LIMIT) ORDER 202-

STATEMENT OF REASONS

The proposed Order is required, in the interests of road safety, to introduce a 40 mph speed limit on a length of the A470 trunk road at Hay Road, Builth Wells, Powys.

Due to concerns raised regarding excessive speeds and inappropriate overtaking manoeuvres at this location, a safety study was undertaken that recommended introducing a new 40 mph speed limit on the eastern end of Hay Road (for a distance of 400 metres) that will create a buffer zone to reduce the speed of traffic before entering the 30 mph restriction.
