Hi Stacey

Can you offer Mark a slot when our Mark is back from leave. Needs to be Jon, Mark and myself from our side. I will give John H the option to attend when I speak to him next but don't bother Tara now as his diary is impossible.

Neil

Dear Neil and Stacey,

Further to my email below seeking a meeting, I am writing to ask if WG would be willing to keep its response to our RLDP Preferred Strategy confidential for the time being. When we meet, we will set out our concerns with the letter and will be asking you to consider issuing a revised letter. Clearly that will be your decision and you'll want to give some thought to the issues we raise before making a decision, but in the meantime publicising the letter may be unhelpful.

I'll send you a note setting out the issues we wish to discuss asap, and look forward to hearing from you about a time and date when we can meet.

Kind regards,
Mark

Dear Stacey,

Thank you for providing WG Planning Division's comments on the Council's RLDP Preferred Strategy and for your offer of a meeting. I'm sure it will be no surprise to you that we have a number of aspects of the letter that we would welcome a discussion on, and we'd be keen to meet asap. My line manager, Frances O'Brien, would like to attend too and has asked that Neil's manager might also be invited.

I will send a note in advance of the meeting to set out the areas we'd like to discuss.

Please could you let me know your availability w/c 13th and 20th September, and I will coordinate dates this end. We'd be happy to meet face to face or via Teams.

Many thanks,

Mark
