Subject: Heather and Grass Burning Licence application H&G/WHF/2021

Dear [Redacted: Agent]

Further to your application received on 20th August, and agreement between NRW and WG on the basis for a licence to burn outside the formal heather & grass burning period on Ruabon Mountain, I attach a licence with specific conditions which is active from today.

I trust all is in order. Should you have any questions please don't hesitate to contact me.

Yours sincerely,
