Subject: action please - stakeholders for consultation on raising the age of English in the new curriculum
Attachments: Stakeholder Engagement List.obr

Hi everyone,

Proposed consultation on raising the mandatory age of English from 3 to 7 years of age

In preparation for the above consultation (yet to be approved by the MfE), we are preparing a list of stakeholders with whom we may need to contact directly to ensure they are aware of the consultation. The consultation period is likely to be extremely short, and so we need to ensure that our engagement is as wide as possible covering all relevant stakeholders.

Could a member of your team please review the attached list and add any **stakeholders/umbrella organisations** that will need to be aware of this consultation, particularly:

1. Trades unions – Pat
2. Early years organisations – Hannah/Stephen
3. Welsh Language – Catrin/Dyfan
4. Parent associations/groups – Greg
5. Learner associations/groups - Greg
6. Additional Learning Needs groups - Dan
7. Governors - Jacqui
8. Educational language/linguistic groups or networks- Jane P
9. English language groups?– Jane P
10. ITE providers – Lisa
11. Religious bodies responsible for the delivery of education – John

The consultation will also be issued via Dysg.

Grateful for a response by cop Friday please.

Many thanks and happy to discuss,

Best

Jane
