Subject: concerns re stewardship of registered charity 524137 Maindy Park by Cardiff Council

I am sorry to trouble you but I believe that a real and present risk exists concerning the property of Maindy Park charity, registered charity number 524137, and its stewardship by Cardiff Council

The attached PDF document sets out my concerns and how they have arisen

There is more information and I shall be able to provide this if required

It would, of course, be most welcome if you and/or the relevant authority/regulator is able to provide sufficient reassurance either that there is no risk to the charity property or that any such risk is being actively addressed and safeguards put in place, and that this information can be shared in the public domain so that others who share the concerns can be reassured too

Thank you for your attention to this matter
