Dear

Thank you for your request which I received on 03/11/2022. You asked for:

- a) the intervention rate of the IMTA Project Farms project including the EC and Welsh Government contributions.
- b) confirmation that Welsh Government factored private funding (crowd funding) raised by the applicant in determining the intervention rate via financial assessment.

Our response

- a) the intervention rate of the project is 100% (75% EU funding and 25% Welsh Government funding)
- b) yes, during the financial assessment the crowd funding was considered and expenditure supported by crowd funding was excluded from the eligible project funding.

Next steps

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to the Welsh Government's Freedom of Information Officer at:
