Dear

ATISN 16945 – Strategy for Long Term Pain and Musculoskeletal Conditions

Thank you for your request to the Welsh Government for information under the Freedom of Information Act (2000) received on 07 December 2022. You requested the following:

- *All documentation around the Welsh Government Department of Health and Social Care's 'A Strategy for Long Term Pain & Musculoskeletal conditions' and associated steering group?*

Our Response

Welsh Government does not hold the information you are requesting. The proposed strategy was a draft proposal developed by Welsh Government officials in an attempt to align common issues affecting different long-term conditions. It was not agreed by the relevant groups and not adopted as Welsh Government policy, nor was a steering group configured.

Persistent Pain and Musculoskeletal conditions have continued in different policy directions under the National Planned Care Board and policy for ME/Chronic Fatigue Syndrome became aligned with the policy leads for Long Covid and neurology.
