Dear

ATISN 16949 – Liquid Air Batteries

Information requested

Thank you for your request which I received on 8 December 2022. You asked, regarding the Highview Power announcement that it's planning building a Liquid Air Battery plant in Yorkshire, whether:

- Any of these Liquid Air Batteries to be sited in Wales?
- In addition, have any representation been made by the Welsh Government to Highview Power for any Liquid Air Batteries to be sited in Wales?

Our response

Following a search of our paper and electronic records, I have established that the information you require is not held by the Welsh Government. There have been no such discussions nor representations made.
