Dear

ATISN 17084 - Retrospective payment for survey work undertaken prior to the launch of the Welsh Building Safety Fund

Information requested.

Thank you for your request, which we received on 26 January 2023. You asked:

1. Confirmation if money from the Welsh Building Safety Fund has been used for purposes other than the intention of the fund.
2. If so, how much was allocated to other areas and what were those areas?
3. If money from the fund has been used elsewhere, how much of the Welsh Building Safety Fund remains?
4. Have any retrospective payments for fire safety survey been paid?

Our response

No money from the Welsh Building Safety Fund launched in September 2021 has been used for other purposes.

In respect of retrospective payment for survey work, to date, a total of **£75.590.40** has been requested from five applicants who meet the eligibility criteria. These applicants have subsequently submitted all the relevant documentation required for us to process their claim for retrospective payments. We will shortly be able to release this funding, subject to the terms of the award letter being met by applicants.
