Dear

ATISN 17092 – Abergavenny Food Festival and Street Food Warehouse Ltd.

Information requested:

Thank you for your request which I received on 27 January 2023. You asked for:

Information on 2020/21 grants made to Abergavenny Food Festival and Street Food Warehouse Ltd.

- Why were 2 payments made to Abergavenny for 2021? Where did this funding come from?
- Street Food Warehouse given nearly £40k in July 20/21 please clarify what the funding was for please and where it came from?

Our response:

I confirm both these awards were made under the Cultural Recovery Fund which was administered by Welsh Government to support the culture, creative, events and heritage sectors as a result of the Covid 19 pandemic.

The payment to Abergavenny Food Festival was made in instalments in line with the terms and conditions of the award.

Yours sincerely,
