

16 February 2023

Dear

## **ATISN 17158 – wind power**

### **Information requested**

Thank you for your request which I received on 15 February 2023. You asked for:

Current estimate of wind power to be generated from wind farms to be constructed in Wales during the period 2023 to 2030; for transmission, distribution and use in Wales.

Current estimate of wind power to be generated from wind farms to be constructed in Wales during the period 2023 to 2030; for transmission, distribution and use in England.

### **Our response**

Our recent consultation on our renewable energy targets reviewed the pipeline of renewable energy projects in Wales and estimated that 9.5TWh of generation capacity from wind power is currently in the pipeline for construction in Wales up to 2030.

Welsh Government does not hold the information related to how much of that power will be transmitted, distributed, and used in Wales or England. Wales is part of the Great British energy system and as such we do not hold the information on how much of this power will be transmitted, distributed, and used specifically in Wales or England.

### **Next steps**

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to the Welsh Government's Freedom of Information Officer at:

Information Rights Unit,  
Welsh Government,  
Cathays Park,  
Cardiff,  
CF10 3NQ

or Email: [Freedom.ofinformation@gov.wales](mailto:Freedom.ofinformation@gov.wales)

Please remember to quote the ATISN reference number above.

You also have the right to complain to the Information Commissioner. The Information Commissioner can be contacted at:

Information Commissioner's Office,  
Wycliffe House,  
Water Lane,  
Wilmslow,  
Cheshire,  
SK9 5AF.

However, please note that the Commissioner will not normally investigate a complaint until it has been through our own internal review process.

Yours sincerely
