### **Information requested**

Thank you for your request which I received on 6 February 2023. You asked for:

1. What grant funds Welsh Government provided to Iceland or logistics partner GXO (formerly XPO) to create/revamp a distribution facility at Deeside.
2. If funding was provided what were the conditions of this in terms of securing and creating jobs?

### **Our response**

Following a search of our paper and electronic records, I have established that the information you require is not held by the Welsh Government. There have been no such grants nor funding.
