

# ATAL YR YMLEDIAD STOP THE SPREAD

Mae planhigion ac anifeiliaid ymosodol yn gallu achosi niwed i amgylchedd a bywyd gwylt y môr, difrodi cychod, a halogi cyrff llongau, pontynau ac arwynebau caled eraill. Gallant fod yn fychan ac anodd eu canfod felly mae'n hawdd iddynt ymledu ar offer a dillad tamp.

Cofiwch ddiogelu amgylchedd y môr a'r gweithgareddau a fwynhewch drwy gadw'ch offer yn rhydd o blanhigion ac anifeiliaid ymosodol.

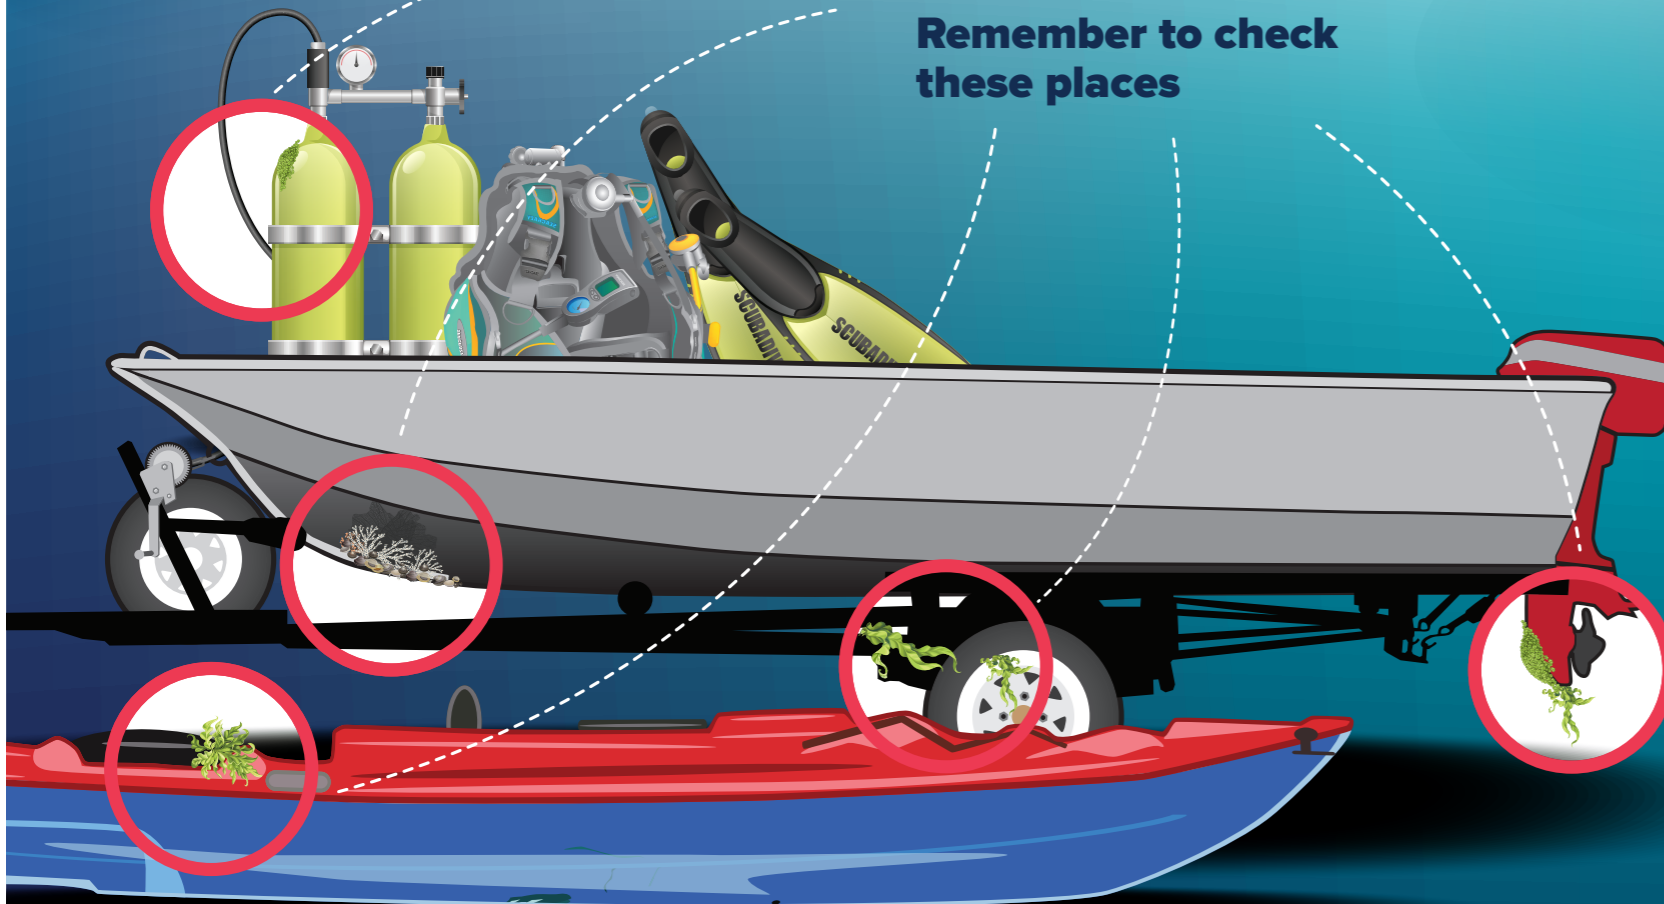

Invasive plants and animals can harm the marine environment and wildlife, damage boats, and foul hulls, pontoons, and other hard surfaces. They can be small and hard to spot so are easily spread on damp equipment and clothing.

Protect the marine environment and sport you enjoy by keeping your kit free of invasive plants and animals.

**EDRYCH  
CHECK**

**Edrychwch** ar eich cychod, eich offer a'ch dillad ar ôl dod allan o'r dŵr gan chwilio am ddeunydd halogi neu ddeunydd planhigion. Tynnwch unrhyw beth y byddwch yn ei ddarganfod, a'i roi yn y bin. Dylech ail-roi deunydd gwrth-halogi yn flynyddol.

**Check** boats, equipment and clothing after leaving the water for fouling or plant material. Remove anything you find and put it in the bin. Reapply anti fouling annually.

**GOLCHI  
CLEAN**

**Golchwch** bopeth yn drylwyr gyda dŵr croyw cyn gynted ag y gallwch, gan roi sylw i raffau, gwaelodion y cwch, ôl-gerbydau a manau sy'n damp ac yn anodd mynd atynt. Golchwch eich angor a'r gadwyn cyn gadael angorfa.

**Clean** everything thoroughly with freshwater as soon as you can, paying attention to ropes, bilges, trailers, and areas that are damp and hard to access. Wash your anchor and chain before leaving an anchorage.

**SYCHU  
DRY**

**Sychu** - draeniwch ddŵr o bob rhan o'ch cwch a'r ôl-gerbyd, gan gynnwys y gwaelodion, cyn gadael y safle. Sychwch bopeth am gyhyd ag y gallwch cyn eu defnyddio yn rhywle arall.

**Dry** - drain water from every part of your trailer and boat, including the bilge, before leaving the site. Dry everything for as long as you can before using elsewhere.
