Hi REDACTED,

See email below, REDACTED has also contacted WPMC today. This call appears a little different to the one that REDACTED took and it seems that REDACTED is looking for money from WG to maintain his servers.

I'm still on REDACTED from 1-2:30. Are you free to chat around 2:30?

Thanks

Hi REDACTED,

REDACTED has just telephoned and has spoken to REDACTED, summary below FYI

I've just taken a call (11:54) from REDACTED... by REDACTED (CCRA - ERA - Marine and Fisheries)

REDACTED (CCRA - ERA - Marine and Fisheries)12:09

IMPORTANT!

I've just taken a call (11:54) from REDACTED, Maritime Systems. He told me that "MMO actions have made him bankrupt" and that he had been forced to take their servers down on Friday, affecting Welsh fishermen as well. He said he feels this is unfair on Welsh fishers and asked if Welsh Government would be willing to pay MS to keep the servers going so they can fish. I responded that I couldn't comment as

this is above my pay grade, but there had been an announcement on Welsh government website. I said I would pass his request on and someone further up the hierarchy 'might' contact him. Obviously I'm aware that Welsh Government have also rejected MS units as not able to meet the SI, but it's not my place to give him this message (I just referred to the website update without giving him the URL which wasn't to hand). Not sure who, if anyone, will respond to REDACTED, I'm just passing on the message...!

I don't know if he has been spoken to?

Regards
