Hi REDACTED

Please see attached from MMO (**REDACTED ATTACHMENT**), they have a call with Maritime Systems at 11.30 today and will post this on to the website straight after. REDACTED called me a short while ago and apologised for the short notice, she had set up a call with Maritime Systems but was not expecting them to engage, they did. MMO are expecting Maritime to respond via social media very quickly after the meeting hence her urgency to put something out to the public domain.

I have a call with MMO at 1pm today to discuss in more detail.

I will, in the meantime start to amend REDACTED draft comms etc.

Regards
REDACTED

Hi REDACTED,

I'm going to be on leave for the next couple of weeks. While I'm out of the office could you please send any updated or correspondence regarding iVMS device testing to REDACTED (cc'd) who will deal with this from a Welsh Perspective while I am off.

Many thanks
