Hi REDACTED,

Hope your well,

We will be receiving the results from the independent tester today and will be reviewed next week ahead of the iVMS control team meeting scheduled for the 3rd of Feb.

I won't have sight of the results beforehand but will keep you updated as and when I can.

If REDACTED or REDACTED needs anything from me in the meantime please don't hesitate to get in touch.

Enjoy your leave.

Kind regards,

REDACTED

You don't often get email from shelley.vince001@gov.wales. [Learn why this is important](#)

Hi REDACTED

I've been made aware that Maritime Systems is actively trying to win business in Wales by offering Welsh fishers that currently have an AST iVMS device, a Maritime Systems one for free – see website: [i-VMS Wales - Maritime Systems](#)
He is within his right to do this, as we will accept any iVMS device that meets our specification, but it means that we now have a keen interest in the results of the testing that you are undertaking. I understand from last weeks PMG that the device

test results are due today. Would you be able to share them with us, or let us know if any issues have been identified with any of your approved suppliers?

I'm about to go on leave so I've copied in **REDACTED** and **REDACTED** from my team who will pick this up in my absence. **REDACTED** will be attending PMG on my behalf next week.

Thanks
