Dear

Request for information - ATISN 18957

Thank you for your request which we received on 12 September 2023. You asked:

How much revenue has been generated within the whole of Wales by speeding fines of those exceeding the limit on a 30mph road limit on A and B roads between the financial year 2021-2022.

I can confirm the Welsh Government does not hold information within the scope of your request.

Speeding fines and penalty receipts are paid direct to the UK Government's Consolidated Fund which is regarded as central Government's current account and used towards general Government expenditure, rather than ring-fenced for specific spending.

Further details about the Consolidated Fund are published at the link below:
<https://www.gov.uk/government/collections/hmt-central-funds#consolidated-fund>

As the payments are not received by the Welsh Government, it is not therefore possible to identify how a particular revenue source has been spent.

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to the Welsh Government's Freedom of Information Officer at:

Information Rights Unit,
Welsh Government,
Cathays Park,
Cardiff,
CF10 3NQ

or Email: Freedom.ofinformation@gov.wales

Please remember to quote the ATISN reference number above.

You also have the right to complain to the Information Commissioner. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF.

However, please note that the Commissioner will not normally investigate a complaint until it has been through our own internal review process.

Yours sincerely,
