Dear

ATISN 19051 – Request for Information

Information requested

Thank you for your request which I received on 21 September 2023. You asked:

What data was used in your statement, "In the distance a 20mph car can stop, a 30mph car will still be doing 24mph." Did the data come from the 2022/2023 Highway code?

Our response

Yes, reference was made to the Highway Code typical stopping distances.
