Dear

## **ATISN 19068 – Request for Information**

### **Information requested**

Please provide the evidence to support the introduction of the 20mph speed limit.

1. I would like to see the evidence that the number of collisions will be reduced, from what to what?
2. Evidence that streets will be safer. (a lot of people in the survey complained about cars parked on pavements! Nothing to do with speed).
3. Evidence that more people will walk/cycle.

### **Our response**

The information you requested can be found in this document:

### **[Explanatory Memorandum to the Restricted Roads \(20 mph Speed Limit\) \(Wales\) Order 2022](#)**
