Subject: Waun Fawr Marconi site

Hi Information redacted

The Marconi site at Waunfawr came up in Information redacted check-in this morning, as apparently there has been some recent correspondence on the scheduling side. I mentioned that you were planning to visit on the listing front, and Information redacted is now keen to take this forward as originally intended as a joint listing-scheduling visit, and will be speaking to Information redacted about it. Could you possibly make contact with Information redacted and liaise with him about setting up a visit while you are up in N Wales, please?

Thanks
