Dear

ATISN 19118

Thank you for your request which I received on 3 October 2023 and is a follow up to ATISN 18780. You asked for the following:

- A copy of the final form offer and conditions which has now been entered into as between Welsh Government and Skyline.
- Please confirm which funding scheme in particular relates to both the £3m grant and the £1m loan.
- Whether the funding is considered to be a "subsidy" as defined under the Subsidy Control Act 2022.
- If so, whether the subsidy of funding given to Skyline complies with the Subsidy Control Act 2022 and is consistent with the subsidy control principles set out in that Act.
- If not, whether any other exemption was deemed to apply.
- Whether the subsidy was subject to a subsidy scheme and, if so, details of that scheme including eligibility criteria and how the funding to Skyline satisfies all the criteria of that scheme.

In respect of this information:

- A copy is enclosed of the final form offer and conditions with redactions applied.
- The funding scheme is under the Economy Futures Fund, specifically the Strategic Capital Investment Fund.
- The funding is considered a subsidy.
- Compliance with the Subsidy Control Act 2022: this package of support was awarded in compliance with the Welsh Government subsidy scheme SC10145 'Support for Capital Investment and Employment' and was registered on the UK subsidy transparency database in line with the requirements of the Subsidy Control Act 2022:
