Copy of successful tender (by removing confidential information)	The Specialist Technical Policy Learning & Development DPS 2021 - 2025, contract number C311/2021/2022 (Notice Reference -GB001497-2022), has been established as a Dynamic Purchasing System (DPS). In a DPS, suppliers are invited to join the DPS, following a qualification selection process.
	For clarity purposes and background, the process for joining the DPS is to provide responses to the qualification questions for this opportunity, along with providing a response to the two bespoke qualification questions which is included in the Qualification Response Template relevant to the Category being applied. Suppliers are able to apply to join the DPS throughout the life of the Agreement, and the contract notice for this opportunity will remain open on sell2wales throughout. This DPS is due to remain open for applications until 11th April 2024, although there is also an optional extension for a further one plus one years.
	During the lifetime of the DPS agreement, the Client (Welsh Government) will undertake call-off competitions for each category when required. All suppliers who have been accepted onto the DPS and are in the category that the call-off is being made, will be invited to provide a bid for that mini competition. For more information on the DPS and how to apply, please access the ITT on https://etenderwales.bravosolution.co.uk , using project_50025 and itt_93880.
	In response to this question, it is not possible to release a copy of the successful tender, as tenders are not submitted to gain a place on the DPS.
2. Scoring table of all bidders, split by scores awarded for each question of bid.	Please see attached spreadsheet for an anonymised evaluation sheet for each bespoke qualification question. Pass - Fail -
	Suppliers who are unsuccessful in their application to join the DPS are provided with feedback and are able to resubmit another application for consideration.
