Hi Gareth,

Unfortunately those times are no longer available. The only day I can manage before Christmas now is Tuesday 20 December. Is that any good? If so please let me know your preferred start time (for a 1 hour meeting to start between 09:00 and 11:00 or 13:00 and 15:00).

Regards

Rob

Good morning Rob

Apologies for the delayed response but applicant has been on leave for the last two weeks and I'm awaiting his response, are the dates below still available?

Kind regards
