Dear

ATISN 20003

Thank you for your request which I received on 12 December 2023. You asked for the following information:

A breakdown of the number of road traffic accidents for the period September to December 2022 and the period September to December 2023, to include a breakdown of these statistics by type (e.g. those involving pedestrians/cyclists).

We currently only have data on police recorded road accidents up to June 2023. We usually publish data on police recorded road accidents with a six month time lag.

The data you have requested for September to December 2022 is available as part of our routine publication. We [publish accident level data](#) which allows you to filter accidents by date, showing the types of vehicles that were involved.

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to the Welsh Government's Freedom of Information Officer at:
