[Bedwas Colliery Remediation and Restoration Scheme.pdf](#)

Dear [REDACTED]

It was good to catch up with you on Wednesday.

It sounds as if you have made good progress on the Coal Tip Safety Policy. If we can be of assistance to you at any time we would be pleased to help

As promised I attach

1. A letter giving a summary of the progress made on the Bedwas Land Reclamation Scheme
2. A Document giving an outline of what the scheme involves

Kind regards

[REDACTED]
