Thanks [REDACTED]

Skimming through the planning statement and I can't see mention of the coal and petroleum notification direction which may come into play for this proposal.

Thanks

Hi [REDACTED]

I assume this would be to do with the Bedwas Tips reclamation scheme. I'm not familiar with the details myself, only what I've seen in the local press, but I'll ask DM colleagues if they can assist.

[REDACTED] are you able to provide more information?

Regards,
