Additional information

Description

BERNINA 540 – the perfect machine for passionate sewists

BERNINA makes sewing easy.

- Powerful, fast & precise sewing
 - Handle big projects with ease
 - Perfect for decorative stitches
 - Your threads are cut automatically
 - Embroidery compatible
-

The Bernina 540 sewing machine ensures that the ideal pressure is always used for the selected stitch. The basic setting can be individually adjusted. Thanks to the Adaptive Thread Tension you get optimal thread tension for perfect stitch quality on both sides of the fabric. The extended freearm offers 8.5" right of the needle. Therefore you will enjoy a grand sewing area for grand ideas. The Sewing Consultant helps you to find the right settings. Adjust suggested alterations quickly with the multifunction-knobs. The Bernina Hook keeps the stitches consistent and precise with a maximum speed of 1,000 stitches per minute. Thanks to the automatic thread cutter your threads are cut automatically and the needle will be lifted afterwards.

Perfect tension for perfect stitches

- Precise & powerful sewing
- Just sew without any worries
- Achieve beautiful stitch results

Thanks to the Adaptive Thread Tension you get optimal thread tension for perfect stitch quality on both sides of the fabric.

More space for creative freedom

- Realize big projects with ease
- Enough space for your creations
- Embroidery module optional

The extended freearm offers 8.5" right of the needle. Therefore you will enjoy a grand sewing area for grand ideas.

Get the right pressure every time

- Sew any material with ease
- Increase pressure for thin materials
- Reduce pressure for thick materials

Ensures that the ideal pressure is always used for the selected stitch. The basic setting can be individually adjusted.

Ask your on-screen support

- Modern colorful touch screen
- Easy to use with simple navigation
- On-screen support when needed

The Sewing Consultant helps you to find the right settings. Adjust suggested alterations quickly with the multifunction-knobs.

Sew quieter, faster, longer, better

- Sew perfect stitches with 9 mm stitch width
- Jumbo bobbin to sew longer
- Frontload the bobbin with new thread

The BERNINA Hook keeps the stitches consistent and precise with a maximum speed of 1,000 stitches per minute.

Automatic features save time

- No manual thread cutting
- Press a button to cut your thread
- Save time for your creativity

Thanks to the automatic thread cutter your threads are cut automatically and the needle will be lifted afterwards.

Register your machine and extend your warranty (<https://www.bernina.com/en-GB/Support-GB/BERNINA-7-Years-Warranty>)

Few brands can match BERNINA's reputation for quality of engineering, design and durability. You know that when you buy a BERNINA, you have a sewing companion for the long-term and that's why we are happy and confident to offer a full 7 YEARS PARTS AND LABOUR WARRANTY on new BERNINA sewing machines purchased from an authorised BERNINA UK stockist. There are terms & conditions which apply (click the link to read them) and then register your machine to give you peace of mind.
