Dear

**ATISN 23218 - Request for Information.**

I refer to the email of 18 December 2024 requesting the following information regarding Teague Woodlands Marros:

A public map which shows where public funds have been awarded through our WG woodland grant schemes and where public funding has supported Woodland Trust planting schemes

**Our response**

I can confirm that there is no public map available which shows where public funds have been awarded through our WG woodland grant schemes and where public funding has supported Woodland Trust planting schemes

However, I would be happy to supply a map showing this information for the area you have specified. To enable me to do this I would be grateful if you could provide the following:

- The OS Sheet reference and NG field numbers of the land subject to your request, or if this is not possible submit a map outlining the land.

**Next steps**
