

6 February 2025

Dear

Request for Information - ATISN 23249

Thank you for your request for information which I received on 13 January 2025.

Your Request

You asked for the following information:

- When the uneven road signs were placed on Monmouth Road in Abergavenny and
- When was the road repaired

Our Response

I can confirm the Welsh Government holds the information you have requested.

The uneven road signs were in place in August 2023 for Monmouth Road in Abergavenny. The repairs were undertaken in February 2024.

However, there was another area to the north on Monk Street in Abergavenny which was also uneven and required repairing but there is a lack of road space and or verge near this location so it was necessary to leave the uneven road sign in situ.

The repair work at this area on Monk Street is due for completion this week (w/c 3rd February 2025) and the uneven road sign will then be removed.
