

28 March 2025

Dear

Complaint in respect of ATISN 20877

Further to our correspondence dated 26 February 2025, the Information Commissioner's Office (ICO) has advised that as part of your complaint you referred to obtaining a copy of the application form submitted by Cardiff Council for conversion of St Isan. Please find attached a copy for your information.

For information we did not share this in response to your original request as this forms part of the assessment and technical scrutiny of the grant application, the outcome of which is outlined in the grant award letter which has already been shared with you.

Subsequent to our last correspondence Cardiff Council has advised that they are not progressing with the temporary use project outlined in the application form, and are currently considering long term plans for a Community Living Scheme to be delivered on the site.

Yours sincerely,

Head of Transitional Accommodation
