Dear

Request for information - ATISN 24392

Thank you for your request dated 15 February.

Your Request

The cost of the feasibility study, and separately any other costs to date associated with this project or proposal to re-open the Bangor to Afon Wen railway line.

Our Response

The cost of the Bangor to Afon Wen Rail study was £187,595.

The Bangor to Afon Wen to railway line study was part of wider work arising from the co-operation agreement between Labour and Plaid Cymru looking at improving north-south transport connectivity.

This involved another study, the North to South Wales express coach service: feasibility study. Total costs, including forecast spend to end of financial year 2024-25, are £327,000.
