

## Swansea Bay University Health Board

### Issues to note

- The Chair of the Independent Review into maternity and neonatal services Redacted presented to the Swansea Bay Board at their meeting on 30 January. The clinical review team has completed reviews on over 50% of cases which is in line with planned timescales and the terms of reference have been widened to include a review of Maternal critical care cases between 2020 and 2024 to identify any additional learning points to contribute to the overall review.
