Dear <Redacted>

Swansea Bay University Health Board JET meeting

<Redacted>.

You confirmed that there had been excellent feedback from mothers, families and staff following the reopening of the midwifery led birthing centre at NPT hospital and the home birth service. You have appointed a Director of Midwifery and are developing maternity care workers as part of your sustainable maternity plan and have re-established workforce strategic planning meetings as part of this process. I look forward in receiving a copy of the sustainable maternity plan.
