Secretary of State for Work and Pensions
By email.

11 March 2025

Dear Liz

I am writing in response to your plans to reform the sickness and disability benefit system. I agree the system needs to ensure it is effectively supporting people into work and offering an effective financial safety net for people who are unable to work.

I would be appreciative if you could share with me, before the publication of your plans, any analysis which has been undertaken by your department, on the impact of changes to the benefits system as they will apply to Wales.

I look forward to our continued dialogue as I know the Green Paper is the beginning of the conversation and not its end point. I am copying this letter to the Chancellor of the Exchequer.
